Code Enforcement Officer Beau Smith presented the case for the City. Officer Smith went over the timeline with the Board as follows:

02/27/2019	While on patrol Office Smith observed several code violations of Alpharetta's Property Maintenance Code sections 302.4, 304.13, 304.15, and 304.2.
03/01/2019	A Notice of Violation was issued for noncompliance of the City of Alpharetta's Property Maintenance Code sections 302.4, 304.13, 304.15, and 304.2.
04/02/2019	Officer Smith re-inspected the property and found only minimal work had been done. A Summons to Appear was issued.
05/29/2019	Officer Smith inspected the property again, found the grass had been cut and other minimal work. Unfortunately, the property remained out of compliance.
11/22/2019	An updated Summons to Appear was issued.
12/12/2019	Officer Smith visited the property and the violations remained.

Photographic evidence was shown throughout the testimony.

The representative of the property, Mr. George Jackson approached and testified that the property is under contract and will be sold in approximately eleven days. Mr. Jackson informed the Board that it was never their intention to ignore notices but due to the property being in flux, they wanted to secure the home but were cautious not to make any repairs that may be a wasteful use of funds, due to the pending sale. Mr. Jackson apologized for the properties neglect and further testified that he would make every effort to make known the issues to the new owner or bring the property into compliance as soon as possible.

MOTION THAT WE THE BOARD AS A MATTER OF FACT AND THE CONCLUSION OF LAW FIND THE DEFENDANT GUILTY OF VIOLATION 304.13, 304.2, 304.15, AND 302.4 THAT THE DEFENDANT HAS BEEN CHARGED WITH IN THIS CASE.

CEB190100 160 North Main Street

Code Enforcement Officer Beau Smith showed the Board pictures of the property and gave a quick overview of case.

Senior Transportation Engineer Eric Graves presented the case for the City. Mr. Graves testified that on July 25, 2019 he was notified that there was flooding occurring on the downstream neighboring property known as Main Street Commons. Upon a site visit Mr. Graves discovered a rock flume that was gathering water from the upstream neighbor located at 160 North Main Street. The flume was catching water and rushing it toward the receiving property. This is a direct violation of the City of Alpharetta's Property Maintenance Code sections 507.1 and 507.2. Mr. Graves testified that efforts were made to contact the property owner and asked for information from him or his Engineer regarding the flume and if they had approval from the City's Stormwater review process. The City's did not have plans on file reflecting the flume. Mr. Graves informed the Board that he did not receive any communication from the owner until after a Notice of Violation was issued.

09/05/2019	A Notice of Violation was issued for noncompliance of the City of Alpharetta's Property Maintenance Code sections 507.1 and 507.2.
11/07/2019	Since the mitigation report had not been submitted a Summons to Appear was issued.

Photographic evidence was shown throughout the testimony.

The property owner, Mr. Kim Dolleh approached and testified that it was not his intention to not respond to the City, but he was out of town. Upon his return, he has been in contact with an Engineer and is waiting on his recommendations. Mr. Dolleh further testified that he wants to get to a solution and be a good neighbor. He explained the stormwater issue and informed the Board that a City representative and City Land Disturbance Inspector met him at the property and recommended solutions before a permit was issued.

A representative of the adjacent property, Elaina Marino approached and testified that their property has had repeated flooding due to the stormwater issues from the defendant's property and until a solution is in place, they will continue to have flooding. Ms. Marino showed the Board several photos and explained that while she is sympathetic to Mr. Dolleh difficulties, it is negatively impacting their property.

MOTION THAT WE THE BOARD AS A MATTER OF FACT AND THE CONCLUSION OF LAW FIND THE DEFENDANT GUILTY OF VIOLATION 507.1 AND 507.2 THE CODES THE DEFENDANT HAS BEEN CHARGED WITH IN THIS CASE.
By: Barbara Oswald
Seconded: Jim Cregge
