The Greatest American Cleanup is from March 1- June 20, 2024

Transforming Public Places into Beautiful Spaces

Each spring, our Keep America Beautiful affiliates and volunteers join hands to engage in the nation's largest community improvement program. During this time, we coordinate hundreds of litter pickups, recycling drives, educational workshops, and beautification activities across the state.

Over the next three years, Georgians will also have the opportunity to participate in Keep America Beautiful's new campaign, which has the ultimate goal of engaging 25,000 communities in reducing litter by 25% before our country's 250th Independence Day in 2026. Simply [sign their pledge](#) to commit to this series of events.
